## About Us

Excel English was established in 1989 and it offers year round English language training to adults in our specially designed building in Muswell Hill, North London. We are known for our very high standards and for our excellent student care. The school has been British Council Accredited for many years and it consistently exceeds the standards required by the Accreditation Scheme. We are proud to be founder members of English UK and also part of Quality English which represents many of the best independent English language schools worldwide. Excel English is also a member of The English Network (TEN).

## What the Explore London Experience can offer you

The Explore London Experience summer residential programme was first offered in 2005 and it has a growing reputation as an exciting and unusual summer course. The programme is based in Barnet, a safe residential part of North London, with convenient underground links into central London and speedy access to the motorway system for trips to other cities.
